How to search Medline

2. Click on “Veterinary databases” or “Library in your office”
Scroll down and click on “Medline”
You must be a registered library patron to access library e-resources.

You need to input your student/personnel no. and PIN.

If you do not have a PIN:
Type only your Student No. (8 digits) or Personnel No. (7 digits) and Enter (leave the PIN box empty). Two new PIN input boxes will appear and type in the same PIN of your choice in both boxes (4 to 30 characters).

Example of how to create your PIN

Keep your pin confidential at all times. If there are more than five failed attempts to log in, the system will block access to the patron account for 3 minutes.
